## WHY CHOOSE GRADY?

### A Career-Centered College Prep Curriculum

- Academic courses that meet college entrance requirements including AP classes for ALL students
- Yearly courses in career fields that lead to a paid internship
- Projects that unite academic & career skills
- Counseling & guidance for a post-secondary plan for college and career

### A Small Learning Community

- Students take specialized academy classes
- Full student involvement in school and extracurricular activities.

### Partnerships with Employers, Community and Higher Education

- Field work in your chosen industry with partners such as Bloomberg, Greater NY Auto Dealers Association, MTA, NYPD, Multiple Trade Unions in Construction, Careers in Culinary Arts Program (C-CAP), Coney Island Hospital, and others.
- Articulation with local colleges

### Outstanding Faculty

- Expert staff members in all vocations
- Creates & prepares curricula that links classroom lessons with real world application

## OUR PROGRAMS

Automotive Technology Academy | Construction Technology Academy |  
Nursing Assistant Academy | Culinary Arts / Restaurant Management Academy  
Information Technology (IT) Academy

Career & Technical Education (CTE) offers rigorous academic courses that provide certification, for careers in exciting fields, such as A+ Computer Repair, Telecommunications, Automotive Technology, Carpentry, Culinary Arts, Electrical Installation & Healthcare. CTE shops are modeled after real-life work spaces and taught by NYS certified teachers who have worked in an industry, thus bringing a wealth of knowledge and training to the classroom. Students learn how to apply academics in their career-education classes. Students graduate from Grady well-prepared for both careers in industry and college.
