Dear Grady Families,

As we look forward to the new school year, I would like to share the following critical information.

School begins on September 10, 2020 for all students. Some students will begin in-person and others will begin remotely.

Our school's program model has been approved and is based on a six-day cycle implementing Chancellor's Priority Model 3B (highlighted below).

PROGRAMMING MODELS

Model 3 6 DAY ROTATION WITH 1-2 DAYS PER WEEK
THREE IN-PERSON COHORTS

 **Option for: Middle and High Schools**

Summary:

- Three in-person cohorts, one remote.
- Option to program for each group to be in-person one day and remote two days (Model 3A), or in-person two days and remote for four days (Model 3B).
- **Group A, Group B, Group C:** in-person learning 1-2 days per week (twice in a 6-day rotation); remote learning for non-in person days.
- **Group D:** remote every day; consists of students who opt out of in-person instruction.

Model 3A

Mon.	Tues.	Wed.	Thurs.	Fri.	Mon.
Group D (Remote)					Group D
Group A	Group B	Group C	Group A	Group B	Group C

6-Day Rotation

Model 3B

Mon.	Tues.	Wed.	Thurs.	Fri.	Mon.
Group D (Remote)					Group D
Group A	Group A	Group B	Group B	Group C	Group C

6-Day Rotation

Students will attend part-time in-person blended learning OR 100% full remote learning, based on the parent's response to the Learning Preference Survey, and according to the student's grade cohort (by year, not by credits).

The cohort groups are as follows:

- Group A - 9th Grade Blended Learning Students
- Group B - 10th Grade Blended Learning Students AND all ACES Blended Learning Students
- Group C - 11th/12th/12th Grade Holdover Blended Learning Students

- Group D1 - 9th Grade 100% Remote Learning Students
- Group D2 - 10th Grade and ACES 100% Remote Learning Students
- Group D3 - 11th Grade 100% Remote Learning Students
- Group D4 - 12th Grade and 12th Grade Holdover 100% Remote Learning Students

To ensure prevention of learning loss, all students will tentatively be programmed for all core academic, CTE and Phys Ed courses.

- 9th grade students will take English, Global, Living Environment, Algebra, CTE, Phys Ed and Lunch.
- 10th grade students will take English, Global, Earth Science, Algebra or Geometry, CTE, Phys Ed and Lunch.
- 11th grade students will take English, US History, Chemistry, Math (various), CTE, Phys Ed and Lunch.
- 12th grade students will take English, Government, CTE (if needed), Phys Ed, Spanish (if needed) and Lunch.
- All other courses will likely be offered fully remotely, and some upper grade core subjects may be offered fully remotely, depending on staffing.
- Any course can be switched to fully remote at any time due to changes in staffing.

To ensure acceleration of learning, student cohorts will prioritize instructional learning standards according to students' individual needs, including students with SWD's, ELL's, accelerated students and holdover students.

- All self-contained and ICT students will be programmed according to IEP.
- Accelerated students may be placed into a different grade cohort to accommodate higher-level classes.
- ELL students will receive appropriate mandated support.
- Holdover students may be placed into a different grade cohort to accommodate their specific needs and to ensure they meet requirements for graduation.
- Instruction will be delivered through 6-day units, and blended and remote learning students will receive the same curriculum aligned to the same rigorous course standards.

Attached at the end of this letter is a calendar that indicates which dates in September 2020 each group is anticipated to attend in person learning.

Your child's group can be found in the chart below the calendar by locating your child's OSIS number. Names have been omitted for safety reasons and OSIS numbers are listed in numerical order.

If your child has been assigned to in-person blended learning, and this is not correct, please notify our parent coordinator, Ms. Matone, immediately. Also, complete the Learning Preference Survey, linked here: [Learning Preference Survey](#).

Note that dates are subject to change once the DOE releases the 2020-2021 school year calendar, which will include holidays. Dates are also subject to change as the DOE releases more specific programming guidance.

As always, please feel free to reach out to me, my administration or parent coordinator if you have any questions or concerns. I appreciate your patience as we plan, and look forward to working together for a successful school year!

Best,

Tarah Montalbano
